

I live in the most southern region of Portugal, the Algarve and after many years of painting, I felt that it was time to do something meaningful with my art. So, I decided to combine two things close to my heart – being creative and helping abandoned dogs.

Together we can make a difference!

Please be aware that actual colours may vary slightly due to photographic lighting sources or monitor settings.

As is tradition at the start of each month and as part of my "Art for Dogs" initiative, I share a special painting in support of my chosen charities. For May, I've selected a piece titled "September Glow."

This work is created on a flat-edge canvas and incorporates delicate skeleton petals from two varieties of Hydrangea, natural fibres and fragments of genuine shed snakeskin, all found in our own garden.

"September Glow" pairs beautifully with February's featured painting, "Natural Beauty." Both are still available - either individually or as a complementary duo.

If either of these pieces speaks to you or you'd like to learn more, feel free to contact me. I would love to hear from you.
