## An introduction to the StreetBuddy Scheme

### What is a StreetBuddy?

Someone who wants to support the work of StreetLife via a small regular donation, to keep up with what's happening in the StreetLife world and (optionally) to interact with like-minded people.

StreetLife relies solely on donations and proceeds from fund-raising initiatives, without which we cannot continue our work to help families on low incomes to get their dogs sterilised. Our sterilisation programme helps to reduce the number of unwanted puppies and abandoned dogs in the East Algarve.

The StreetBuddy scheme is a way of raising additional funds for our work whilst also spreading the word to a wider audience.

### How do I become a StreetBuddy?

Contact StreetLife via email at [buddy@streetlife.pt](mailto:buddy@streetlife.pt) or complete our Online Application Form at [www.streetlife.pt/streetbuddy-application](http://www.streetlife.pt/streetbuddy-application)

We'll need some basic information (name, address, email, etc.) and we will ask you how you would like to make your donation.

### How much is the donation?

For EU residents / bank accounts, the donation is €5 per month, quarterly (€15), 6-monthly (€30) or annually (€60) in advance.

For UK residents / bank accounts the donation is £5 sterling per month so that we don't have to get involved with fluctuating currency exchange rates.

### What do I get?

A Welcome Letter, a personalised StreetBuddy card and a StreetBuddy Money Box to collect your loose / spare coins. We hope you will donate this money to StreetLife but the choice is yours. 😊

### You will also receive ...

A StreetBuddy e-Newsletters every quarter, plus invitations to our regular StreetBuddy coffee mornings as the guest of our Founders.

StreetBuddies also get entered into a monthly draw for a small "thank you" gift in appreciation for your support (*all gifts are donated and do not come out of StreetLife funds*).
