

## Stay at Home "HONESTY" Quiz 9th January: €142.00 raised!

ANOTHER FANTASTIC STAY AT HOME 'HONESTY' QUIZ NIGHT : 9th January — against all odds!

I want to personally thank you all for taking part in the QuizNight yesterday evening.

There were over 30 who registered for the QuizNight across several locations.

I know we had to "think outside the box" in playing safe this month with the travel restrictions and you did it!

Many of you couldn't have friends at home to share supper and a glass of wine (or two) while scratching your heads and exchanging banter over the Quiz BUT you would not be beaten.

Pacho 2 was the winning team and they received their "Winners Award" and will each be given a mini bottle of fizz.

The ticket draw winner was Lesley... I hope she enjoys her bottle of fizz and biscuits.

Technology and not wanting to give in, won... and I thank you all for raising €142.00. This will pay for nearly two sterilisations. The average cost of a snip is around €108.00 (including microchip) and on average a pet owner contributes €30.00 (often more!)

Never underestimate the power of one sterilisation ... "it only takes one". Last night you all made a difference.

Hopefully in the future QuizNights will continue with more supporters taking advantage of Zoom and FaceTime within their own group of team players and being able to interact with friends and having fun.

We know it's no substitute for a face to face meet up, but it's a darn good way of keeping in touch and helping StreetLife and our local doggies.
