

THANK YOU TO ANN & HER GUESTS - 200.00 EURO DONATION

The "Lunch in the Garden" event hosted by Ann last Saturday raised an amazing 200.00 euros for StreetLife. 20 plus guests attended a lunch in Ann's garden... she prepared all of the food and earned a well-deserved large glass of wine at the end of the day. Fernando was there to provide live music which entertained the guests and got them into a party mood.

The lunch was also for Goldra, which is a shelter very dear to our hearts, as we have personally adopted two rescues from there in the past.

Every single person who supported this lunch has helped to make a difference - thank you on behalf of StreetLife and all the doggies who will be snipped as a result of your generosity.
