Art to help dogs in need

I live in the most southern region of Portugal, the Algarve and after many years of painting, I felt that it was time to do something meaningful with my art. So, I decided to combine two things close to my heart – being creative and helping abandoned dogs.

Together we can make a difference!

Please be aware that actual colours may vary slightly due to photographic lighting sources or monitor settings.

For this month I have chosen one more a painting that has been inspired by the seasons of the year.

The title is "Summer Breeze".

It is painted with acrylics on paper and has some golden highlights.

The inspiration for this abstract painting originated from a very pleasant time on the seashore. Whilst just a couple of weeks ago, the wind was still quite fresh, on that particular day it had changed into a mild breeze and the sea shimmered in blue and turquoise tones. These are the days when life feels light and easy and one looks forward to the balmy evenings of the early summer.

You can view the painting at the mini exhibition at the Real Marina Hotel & Spa Hotel in Olhão. If you would like to purchase it, the friendly staff at the reception would be happy to assist you.

I am delighted to say that the featured painting for the month of April has been reserved. Thank you so much!!! This donation will help to sterilise one of several dogs recently rescued by a local family.
