

August StreetNotes

What are StreetNotes? Not a full Newsletter; a few notes with our monthly news.

Each month an email goes out to all of the StreetBuddies, StreetLife QuizWhizzers and StreetLife supporters to keep them up to date with current news and what's going on.

We thought it would also be a good idea to share these StreetNotes on our website so our supporters know what's going on between our Quarterly Newsletters.

What's been happening ?

The last few months have been extremely busy – which is good news; we have sterilised a lot of dogs and also we have had a brilliant few months for donations and fundraisers.

It was StreetLife's 4th Anniversary on the 1st September and we celebrated with our Abba Night at Restaurant Antonio raising €1076.00. Our Virtual Algarve Experience ends on the last day of September... those who have finished their route have raised from sponsorship donations in the region of €2400.00. There are still three entrants left to complete their challenge – some of them teams... Please keep walking. ☺

Currently we have sterilised 570+ dogs and Graeme is receiving requests for help by email and by phone daily. **This year we have approved 124 dogs to date compared to 79 last year, which is roughly 60% more.**

All of this has created an above average amount of "work" which sometimes means our noses go under. I seem to be forever apologising at the moment for being late sending things out like thank you emails to supporters, new StreetBuddy Welcome Packs, Newsletters and also counting money boxes, to name but a few things I am behind with!

Every single StreetLife supporter is so important to us, you help us continue our work. Our StreetEyes have been working very hard helping us with new applications, visiting families and doggies to assess their situations, then liaising with our partner vets to sort out sterilisation dates.

We all know how important sterilisation is and we all must keep spreading the word. It is never ending but we all know together we are making a difference.

At the end of September, I will be sending out our Q3 StreetLife Newsletter so I will give you all the facts and figures there and what's been happening in StreetLife.

Most important I need to tell you who **the StreetBuddy winner of the "thank you" gift for August is: SB017 Lynda from Santa Catarina Fonte do Bispo.** The gift is a bottle of Jules Larose Fizz and a box of After Eight Mints

I also want to tell you about **Olá Granola**... they are supporting StreetLife. To find out more please read the poster or email: brqtine@gmail.com. I can personally vouch for the granola – it is excellent.

That's our StreetNotes for this month...

Supporting StreetLife

ABOUT ME | TINE
 My name is **Tine**. I was born in 1984 in Belgium but I am living in the Algarve since 2018. I am married to David and dog mum of 2 adopted Portuguese shelter dogs. I am a lover of good food, wine tastings, dog cuddles, long walks and sunshine.

ABOUT GRANOLA
 Granola is a fibre-rich snack made with the perfect combination of cereals - like oats -, mixed nuts, a variety of seeds, and honey or other sweetener. You can enjoy it as a **healthy breakfast** with milk, a vegetable drink or yoghurt and even give it an extra twist by adding some fresh fruits!

OLÁ GRANOLA!
 Olá granola! is hand made in small batches in the oven in my mother's kitchen. I started making my own granola after realizing it tastes so much better - and is healthier - than the ones you can buy in the supermarket. And also because my family and friends kept asking me to make some more, and more, and more. :)

THE FLAVOURS
The Original: made with oat flakes, mixed nuts, puffed quinoa, pumpkin-, sunflower-, sesame and flaxseeds, a touch of cinnamon and honey.
The Chocolate One: The Original mixed with cocoa powder and dark chocolate chips.
The Tropical One: The Original mixed with dried fruits and coconut flakes.

A GOOD CAUSE
 I put my granola in packages of 250 grams for €5 - 500 grams for €9 - 1 kg for €16. For each package sold I donate €1 to StreetLife, a non-profit organisation who fund and organise sterilisations of dogs to prevent more unwanted puppies and strays in the East-Algarve. You can check their great work and support them on www.streetlife.pt.

TO PLACE AN ORDER: PM Tine's Instagram account, @ola_granola_algarve, OR Message / call WhatsApp 0032 491 22 93 64, OR e-mail brqtine@gmail.com. The granola is baked to order, so freshly made the day before delivery. Tine will arrange a pick-up time for your order at the Intermercê carpark in Moncarapacho.

Every sterilisation = less unwanted puppies & strays = less suffering & cruelty
