

# StreetLife Twelve Dogs for Christmas

An appeal from past StreetLife doggies asking for your support to snip other doggies like them ... "12 snips for Christmas"

Dear Santa & StreetLife friends...

Our local East Algarve Animal Sterilisation Programme, StreetLife, is aiming to sterilise at least 12 more dogs in our "12 Snips for Christmas" Campaign.

Our Christmas gift is to help 12 local pet owners, who do not have the money to sterilise their dogs

Let's give 12 pet owners and their dogs a Christmas present that will bring a smile to their faces, a wagging tail to their dogs and a puppy free New Year.

Let's help Santa give "12 Snips for Christmas"... Will you help make a difference?

Will you become a StreetBuddy? – it's only €5.00 per month and every Buddy helps to sterilise one dog per year. What a great Christmas present 😊.

*Happy Christmas*

*From all of the dogs you have sterilised*
