

DO YOU HAVE TIME TO HELP STREETLIFE?

- We need volunteers who can spare a few hours each week.
- We need help visiting families who have requested assistance sterilising their dog.
- Families may need help completing their applications forms.
- Help StreetLife to help families to get their dogs sterilised.
- Our special volunteers are called **STREETEYES**... our eyes on the street... helping StreetLife to reduce unwanted puppies.
- Can you speak Portuguese? Do you live in the East Algarve? ... even better if you are Portuguese! 😊
