

What are StreetNotes? Not a full Newsletter; a few notes with our monthly news.

Each month an email goes out to all of the StreetBuddies, StreetLife QuizWhizzers and StreetLife supporters to keep them up to date with current news and what's going on.

We thought it would be a good idea to share these StreetNotes on our website so our supporters know what's going on between our Newsletters.

The lucky StreetBuddy for our November monthly draw is: SB 009 Pauline who lives in Santa Luzia, Tavira. This month's "thank you" gift is a bottle of Jules Larose Fizz and a box of Cherry Liqueurs.

We are excited to announce our fabulous new **StreetCooler** wine coolers, sponsored by our friends at Fiuza Wine, to increase awareness of our sterilisation programme and to raise funds for StreetLife. Our **StreetCoolers** are a perfect Christmas gift for family and friends ... or YOU and details are attached to this email. We all need to "be cool" regarding sterilisation ... not forgetting keeping our white and rosé wines (and fizz) cool as well! ☺

Order your **StreetCooler** by email at streetcooler@streetlife.pt. If you cannot collect yours then we are happy to post the **StreetCooler** to you at additional cost anywhere in the EU (please ask for details). **Be Cool – Sterilise!** ... has now been launched on our StreetLife website and our Facebook page. It's the only way. Let's spread the word - be cool - sterilise your dogs.

Our sterilisation campaign for November and December is going well... our aim is to try and sterilise 50 dogs. We invited Animal Shelters who we have worked with in the past to help us find dogs to sterilise and our own StreetEyes are on the lookout. We also ask our StreetLife supporters to keep an eye out for any locals that have dogs that need to be sterilised but don't have the funds to do it. Ask them to make contact and we will arrange a home visit and see what we can do to help. Currently we have sterilised 16 during November as a result of this campaign – we have all of December to find more dogs. Let's get looking!

So far this year (2020) we have 100 dogs in our system compared to 215 in 2019. The numbers are a lot lower mainly because of Covid but the StreetLife team and other associations will continue to sterilise where and when we can. All of us working together is making a difference.

Our StreetBuddy family continues to be at 60... it would be really great if during December we could all try and "recruit" some more StreetBuddies. Since we started the StreetBuddies in 2019 they have raised in the region of €6800. **OUTSTANDING!** ... if you are interested in becoming a StreetBuddy go to: www.streetlife.pt/streetbuddy where you can find out all about our StreetBuddy family and how to join.

The Stay at Home "HONESTY" Quiz Nights, organised by Brian and Christine Beckwith, are very popular and successful. The StreetLife QuizWhiz nights started way back in 2017 and in total they raised in the region of €11,000. **WOW!!** The QuizWhiz nights had to stop for several months because of Covid and restaurant restrictions. In September they decided to start the Stay at Home "HONESTY" QuizNights – an excellent idea! The numbers have been growing each month – the last month there were 55 players across 12 locations.. The teams can play in the safety of their own home with friends and still have fun. As a result over the last three months they have raised another €800+, bringing the grand total to just under €12,000 since they started three years ago. What an achievement. Our sincere thanks to all of the QuizWhizzers, Brian and Christine. The next Quiz evening is on the 12th December.

That's my news for this month... Once again, thank you all for your help and support, StreetLife could not survive without you. We have all helped to sterilised 457 dogs... and the numbers are going up daily.

Every sterilisation = less unwanted puppies & strays = less suffering & cruelty
